Hi Fred-

I wanted to let you know that I did receive your summons for the [REDACTED] case scheduled for trial on September 17, 2012, and don't have anything else scheduled for that day so far. Also, you gave 2 sets of drug lab numbers: [REDACTED] [REDACTED]. I did analyze the first set of numbers, but Rebecca Pontes is the chemist that analyzed the second. I made a copy of my summons and gave it to her, but you may want to make a note of it for the future. Thanks.

-Sonja
